

**List of Compatible Inverters
with LG Energy Solution Home Battery**

FLEX

Compatible storage Inverters with FLEX

All installations require a compatible inverter. Using a non-approved inverter will void the warranty provided by LG Energy Solution. See below important instructions when installing and using FLEX.

- 1) Battery/Hybrid inverters should operate in On-Grid only. (Not in Off-Grid)
- 2) For On-Grid applications where Back-up mode may be sometimes utilized, the backed up circuits and inverters AC draw must not exceed the battery current limit specifications.

Following list of Inverters are currently compatible with LG Energy Solution home battery, FLEX Series.

[EU]

※ More compatible inverters will be added.

INVERTER			Battery			REMARK
